OPPORTUNITY FUCKS!

When you've got a hot chick with a wide-on for your cock, and all the privacy necessary to indulge her, there's nothing for it but to go with the flow. That's what I did.

It was some years ago now. She was a sexy little blonde named Kathy, a friend of my pal Donny's girlfriend. I was only too pleased to help out by putting her up at my place for a few days. And even more pleased when, with her sly smiles and flirty manner, Kathy quickly made it blindingly obvious she had the hots for me. I knew this game – back then, I was quite a stud, if I do say so myself. So I figured what the hell...

Sitting beside Kathy on the sofa, I made some idle comment about the TV show we were both pretending to be interested in. She replied with some equally trite remark. It was all just an excuse for us to lean in closer to each other, and seal the moment with a kiss. A slight, soft kiss that was swiftly followed by a long, passionate, wet one, just like in the movies. And then I was squeezing one of those generous tits of hers, sending her the unmistakable message that I wanted her every bit as much as she wanted me. It was a volcanic eruption of lust. This was going to be fast and urgent.

Kathy broke off for a moment to urgently peel off her clothes, and there it was – her sweet punani. Peeking from that fleshy niche, Kathy's pretty pussy petals looked so inviting, beckoning my responsive cock. I had my clothes off in a matter of seconds, and in another second I was driving my stiff dick home in that peachy little cunt. Kathy gasped. Me too. She felt delectably warm and snug – it was a fulsome welcome,

but I wasn't about to wear it out. I jackhammered into her as she locked her legs together behind my back and bucked her hips against me.

Sweat dripped from my face onto that of Kathy, who was biting her lower lip, wearing a worried-looking expression I found intensely sexy because it told me she was completely in the moment. I appreciated that. It wasn't more than a few minutes' worth of furious thrusting before I was spurting my spunk inside

In a second I was driving my stiff dick home in that peachy little cunt

Kathy's luscious, hot cunt. A few minutes' torrid sex with someone who was effectively a stranger to me, that's all it was, and yet I swear it was the best sex I've had before or

since, and the happiest moment of my life. Another curious thing: I really couldn't give a damn where Kathy is now, or what she's doing, or who she's doing it with. I had her at her best.

Hospitable Hunk, Manitoba.

That voluptuous blonde Bianca from the opening set in your May issue really made my day. She looks the type of woman who can take anything a guy can give her. Imagining myself in the place of that guy she's with gave me an instant boner. As soon as I'd gotten that issue home from the newsstand, I jacked my joint over Bianca's pictures, envisaging her writhing beneath me on the sofa, her long hair thrashing around and her boobs shaking as she took my pounding cock like a champ. Her aureoles look scrumptious; perfect for kissing and licking. I bet she'd like that. I can just imagine the grip of her twat tightening just a little more with each suck I take on her tits, until it feels like my dick would stay permanently trapped inside her twat. Forever fucking Bianca – I can think of a lot worse fates!

Wanker for Bianca, Kansas.

A photograph of two nude women posing together against a light blue background. The woman on the left has long blonde hair and is smiling, looking towards the camera. The woman on the right has shorter blonde hair and is also smiling, looking towards the camera. They are both posing in a way that highlights their bodies. The woman on the right has her hand on the hip of the woman on the left.

SINFUL SEDUCTION!

SOMETIMES COFFEE AND A CHAT JUST DOESN'T QUITE MAKE IT...

PHOTOGRAPHY: RB KANE

Just good friends, Tea and Natalie? Well, so they were up until a few moments ago, but things seem to have just taken a more intimate turn. Tea (she's the girl with the darker hair, on the left in the pictures on this page), has clearly been looking forward to the four o'clock visit of her titanium blonde friend Natalie.

"You know, sweetie, all these years I've known you, we've never had any secrets from each other. But I've never seen your breasts," Tea tells Natalie, "and I would so like to. I've often thought they must be gorgeous!"

Natalie's not one to resist that kind of flattery, so with a "Ta-daa!" she readily reveals her rack, asking her hostess, "Well, how do you like these puppies? Do they live up to the hype?"

"You know it!" replies Tea. "But just to be sure, let me take a taste test..." And tickling one of Natalie's stiffening nipples with her tongue, Tea murmurs in approval. While she's at it, she decides that it can't do any harm to play with her galpal's gash just a smidgen, and soon she's licking that, too, to Nat's delight.

"Oh yes," breathes Natalie. "That feels so fucking nice. But don't leave me hanging. You've got to finish what you started. Say you'll fuck me, honey!"

"Oh, I'll fuck you, alright," says Tea, retrieving a pair of sex toys from where they just happen to have been left beneath the sofa – almost as if she'd planned things to go this way. And within seconds the horny couple are fucking away right there, sharing the pleasures of one another's creamy snatch. Oral sex and dildo-fucking! That hadn't looked likely at 3:59!

Just good friends? Good friends and then some! ♠

NASTY GIRLS, WILD MOVIES

HOOKED ON HARDCORE!

The makers of MTV reality series *True Life* snagged Jayden James for an episode about porn addiction. According to MTV, the series features "remarkable real-life stories of young people and the unusual subcultures they inhabit." An episode two years ago that featured people employed by the adult industry proved to be one of the series' most popular. Naturally MTV wanted more from the porn angle, although Jayden only agreed to appear after receiving assurances that the episode would tackle the story from an affirmative perspective.

"Although we're dealing with cases of addiction," Jayden said, "we want to push a more positive vibe on the industry. The producer absolutely loves me, and finds my lifestyle very interesting. I'm so excited!" ♠

20 YEARS OF ASS!

John Stagliano says he never expected to be successful, not like he is today. He also couldn't have predicted that his Buttman character would become a porno legend, or that the gonzo style of shooting that he helped invent would become not only a craze, but the primary style for generations to follow.

Sometimes things just work out.

This year Mr. Stagliano celebrates 20 years since the first Buttman movie and the creation of a company that has become a porn industry powerhouse, Evil Angel. Today John's company is home not only to his own product, but also to the industry's greatest line-up of directors, including John Leslie, Joey Silvera, Jonni Darkko, Rocco Siffredi, Belladonna and Manuel Ferrara. In short, John has become a gen-yoo-wine movie mogul. "The last 20 years certainly were unlike anything I ever expected in my life," John said. "I always thought my life would be a struggle to make legitimate movies, and that's what I was trying to do."

Mission accomplished! ♠

WINNERS & SINNNERS!

They may try to play it down, but everyone in porn hopes to one day take home an AVN honor. On that glorious night when the latest annual AVN award show was held at Mandalay Bay in Las Vegas, there was a new crop of winners, as well as a few who'd been there before. The occasion's most coveted awards are the ones given for performances throughout the preceding year, and this time around there were few surprises.

The Female Performer of the Year honor went to Jenna Haze, while her male counterpart was James Deen. In the newbie categories, Digital Playground star Stoya won Best New Starlet, with Anthony Rosano taking honors for Best Male Newcomer.

"I really, really worked so fucking hard – I even went blonde for this," Jenna said in her touching acceptance speech. "I love fucking for you. You have no idea!"

Many wept.

There was no surprise either in the sweep by the big-budget *Pirates II: Stagnetti's Revenge*, which ran away with 15 trophies, including those for Joone for Best Director, and Evan Stone, as well as Best Supporting Actor/Actress prizes to Ben English and Belladonna. It also won Best Video Feature. On the international side, Rocco Siffredi won Male Foreign Performer of the Year and Eve Angel was crowned Female Foreign Performer of the Year. ♠

CROSSOVER QUEEN

Vivid Entertainment made a shocking announcement earlier this year when it reported that Kelli McCarty – 1991 Miss USA pageant winner and former star of NBC soap opera *Passions* – was making her debut in a hardcore feature for the company.

"This marks the first time that a Miss USA, let alone an established TV actress, has made the reverse crossover into adult," said Vivid co-chairman Steven Hirsch. "As it turns out, Kelli's performance in *Faithless* is incredibly erotic." Kelli, who appeared as Beth Wallace in *Passions* from 1999 to 2006, was directed by legend Paul Thomas for her debut. The plot follows Callie (Kelly) at a tipping point, at which she feels she's lost control of her marriage. After she seduces her stepdaughter's boyfriend, the sexual fireworks follow.

"I enjoy acting, and I really like sex," Kelli said, "so this was the perfect opportunity to combine two of my passions. I approached Vivid with the idea of shooting a film with a sexy but interesting storyline, and I was pleasantly surprised with the amount of control I was given throughout the production process. I'm very pleased with *Faithless*, and I just may do another adult film."

Ooh! Ooh! Watch this space! ♣

PRAISE HAZE!

Just days before winning Female Performer of the Year at the AVN Awards, Jenna Haze announced the creation of her own production company, Jennaration X Studios.

"It's a little scary and totally rad at the same time," Jenna commented. "I have my reputation riding on this company. I dreamed about directing and releasing my own movies when I first started, and I worked hard to make it a reality. I've learned so much along the way."

The lady's first release – and her debut as director of a full-length feature – is *Cum Spoiled Sluts*. The title's six scenes feature Nikki Rhodes, Riley Evans, Alyssa Hall and Bobbi Star, as well as Jenna herself in three of them. Jenna plans to release six to eight titles a year, featuring all-natural girls (her personal preference) in "elegant but nasty hardcore gonzo sex scenes."

She added, "I want to make what I think is hot and what my fans will like. My years in front of the camera have been the best classroom I could have ever been in, by analyzing different directors' styles, how sets are run, the lighting, the location, the flow – everything it takes, down to the smallest detail, to make a hot movie."

And we thought it was just about red-hot fucking! Shame on us! ♣

NASTY 'N' ARTSY

In celebration of America's most famous adult company's 25th anniversary, World of Wonder Storefront Gallery in Los Angeles recently presented *All-American Porn: 25 Years of Erotic Photography from Vivid Entertainment*. Focusing on Vivid's greatest boxcovers and compelling behind-the-scenes photos, the exhibition kicked off with a star-studded cocktail party and a screening of the premiere episode of *Deeper Throat*, Vivid's third premium cable TV reality series.

"Vivid revolutionized the adult film industry," WoW founders Fenton Bailey and Randy Barbato stated, "bringing high production quality to adult films for the first time, and creating some of the most iconic names in pop culture by cultivating the careers of such stars as Janine, Ginger Lynn and Jenna Jameson. Vivid's beautifully designed covers had strong mainstream appeal, and showed gorgeous women, glamorous photography and stylish art direction."

It's art you can jerk off to! Yay Vivid! ♣

PARTY TILL YOU

THREE HORNY PEOPLE
HAVE THEMSELVES A
FUCKING GOOD TIME!

POP!

When most guys go out partying, they consider it a major triumph if they get to bring a hot blonde chick home. Of course, Eric here is not most guys. In fact, statistics say he's twice as studly as most guys, because he's just gotten back home with not one hot blonde, but two. Their names? Shawna Lenee and Charlie Lynn. Shawna's the one wearing the black and white stripes; Charlie's all in white – although pretty soon both girls are clad in nothing but their own pretty flesh.

Having been party hopping all night, the threesome are in a mood to keep the party going – in their own particular way. In a red-hot fucking kind of way. Not the kind of way most folks would choose to wrap up such a wild night, you're thinking? Aw, you know what we're gonna say – these aren't most people. These are sex people, of the hardcore kind. And no sooner has Eric welcomed the ladies to his lair than he's at the center of a veritable girlstorm. He's got girls above him, beneath him, all around him; kissing, licking and sucking him. The big picture at the left will give you a pretty good idea of how it all goes down. That's Shawna chugging Eric's tubesteak while Charlie rims his ring-o'-brown. Of course, it's not long before everyone's switched around into completely different positions.

"Let me suck that dick," Charlie orders Eric. "And Shawna? Lick my poon!" "You got it," replies Shawna, who does as she's told before continuing, "Mlah mlah, lubble lubble..." That's only a rough transcription, obviously. This can only end one way: in all three horny hedonists climaxing together in a full-on flesh frenzy. Some party, huh? ♣

SADIE WEST

NATURALLY

SAY GOOD DAY TO SEXY SADIE – SHE'S A VERY SPECIAL LADY!

NASTY!

Sadie West had only been active in the adult business for a couple of months before signing to top porn studio New Sensations/Digital Sin in July 2008. It's easy to see how she showed up so promptly on their radar: fresh-faced, and graced with a sweet, natural 34B bust and a delectable tush, Sadie's a stone stunner.

Here are some things you may like to know about Sadie: She's 21 years of age. She's a California girl of Irish and Mexican descent...

Uh, what else? Oh yeah – she's fucking gorgeous! Also, she positively bewitched our correspondent Eliza Starr when the two had the following tête-à-tête...

CI: Sadie, you went very quickly from brand new face to contract girl. How did that happen?

Sadie: I know. I started out small and ended up big. I started dancing at private parties in San Diego when I was 18, my agent found me modeling on the web, and it went from there. The people at New Sensations wanted to meet me, I went on a temporary contract, they saw me perform, they liked it and signed me up! I wasn't really that sexual until I started dancing, then I started exploring and I liked it. I like having sex with different people. I really get along with people, and when I make appearances and go to conventions, it's like I'm hanging out with my friends. It's fun, I like it a lot. Now that I'm working in adult it gives me access to all kinds of sexual experiences.

Are you enjoying the attention you're getting?

Most definitely, oh fuck, yeah! I like showing off; I like being the center of attention. I like outdoor sex and the titillation of maybe getting caught – but at the same time I don't want to get in trouble.

PHOTOGRAPHY: HOLLY RANDALL www.suze.net

► Are you a voyeur as well – do you like to watch?

Fuck yeah! It was always kind of a crazy thing to think about but now being in the industry it's normal. I enjoy watching, taking it all in and learning. I watch porn and enjoy it. I like watching the stuff I'd never do; outrageous stuff. Variety is the spice of life.

What about gender variety? Has porn introduced you to sex with women?

No, I'd been with women before. I've always been interested in women; I can appreciate a woman's body. I don't think I could be totally in a relationship with a woman because I like the comfort and the penis of a man, but I do like women. And when the woman has a good personality it makes it all so much the better. I'm lucky I haven't been around bitchy girls in the industry.

What was your first scene like?

Oh my God, I was so nervous. It was for *Four Finger Club*, with Kirra Lynne. I love that girl, she's so sweet. She made me comfortable, but I didn't really know what to do! On film you're creating something visual so you've got to hit certain positions, move a particular way, and it can't be as natural a flow of sex as you might want. Practice makes perfect, and at first you're not going to be as good as in later scenes once you have more experience. Every time I work I learn more, and I'm learning from everybody. I learn little things about what turns on different people in different ways.

"IT'S NOT SO MUCH ABOUT GETTING MYSELF OFF AS CREATING A SCENE TO GET VIEWERS OFF"

I'm open, and learn a little every day.

Are you open to

learning everything about sex?

I don't do anal and I don't get throat-fucked, but other than that whatever feels natural is good. I'm open to threesomes – I've done them in my personal life, but I don't want to go past that. I've even recorded myself in sexual situations before, and I liked watching myself. It was hot to me. So far I've only done one-on-one with guys and girls, and solo scenes for *New Sensations*, but we've talked about me working with two guys.

If you could pick one of the guys for that threesome, who would it be?

I'd pick Mark Ashley, because he knows what he's doing. I worked with him in *Sadie and Friends 2* where we fucked in a bathtub, in the water, on the side of the tub, on the

floor. Mark was really nice, and we had a good connection. I love that scene.

Any other favorites?

I had an amazing scene with Alex Gonz in *The Naughty Cheerleaders Club*. He's a great kisser and has really sexy lips. I really like my scene with Jack Lawrence in *Hearts and Minds 2: Modern Warfare*. That scene's the first thing I did that me and my friends saw at a local shop, so it was pretty awesome for me. Jack and I did it on a car. His intelligence really fucking turned me on, and the scene came out really, really well.

In a tub, on a car, naughty cheerleader – are you fulfilling all your fantasies?

Yeah, I'm happy! I like where I am, I like what I do. I have a few more, like I want to fuck more in public, but people look at me weird. I'm okay with it, but at my friend's house the other day, me and this guy hooked up. We were in the back room, and I started giving him a massage, and one ►

► thing led to another, and *boom!* Right in front of everybody, I just pulled out his dick and I'm giving him a rub, and the next thing you know, we're fucking on the floor doggie-style! People started getting weirded out and leaving, and it was funny because we'd just all watched *Hearts and Minds 2*. I told them they could watch, I didn't care. Sex is a good, natural thing, and what we're doing is entertainment, and I'm comfortable with it. As long as you're not doing it for

"I JUST PULLED OUT HIS DICK, AND THE NEXT THING YOU KNOW, WE'RE FUCKING ON THE FLOOR!"

the wrong reasons, I don't understand why people have such a problem with nudity and sex. There is a downside – you have to realize that what you're doing is on film and is out there forever, and you have to be okay with that. I am.

Do you like doing the role-playing you get to do in films like *The Naughty Cheerleaders Club*?

I don't care if I'm a cheerleader, a nurse or whatever. I'm not about what I'm wearing, because I just want to take it off and get down to the action! I did a scene the other day with a pajama party theme, and I really liked doing that because I didn't have to wear shoes or "wardrobe."

What turns you on; excites you?

Passion and connection. Right now I'm seeing this guy, and it's totally passionate. We met with one of those across-the-room eye-meeting connections, and we have look-him-in-the-eyes, sweaty, hot sex, fall-off-the-couch filthy fucking. It's totally hot. The connection leads to passion, which creates more of a connection and more passion. Then when you're having sex it's amazing – just fuck all day and be naked. Waking up to somebody touching your body and your soft skin, and you know how much he desires you and you desire him.

Wow! Bring out the fire extinguishers! What turns you off?

Ignorance. Somebody who doesn't have confidence. I don't like guys who dress too flashy; fakes who try to be someone they're not because they think it will impress you. The cheesiest thing to me is when a guy acts fake to pick you up. When he thinks he's got to act cooler to impress you, he's on the wrong track. If he's confident and intelligent, that's more impressive than the guy who doesn't know how to behave. It's okay to be nervous or inexperienced, but

you should just be yourself and be natural, and if you've got a good personality that will come out and impress me more than anything else. I like just normal guys,

natural guys, bad boys with tattoos. But not guys who have tattoos almost as an accessory – ones where the tattoos are a natural part of who they are.

What else attracts you to a person?

A guy who has confidence, who's funny, who desires me and makes me feel like a princess. Someone I want to do everything for, and they'll appreciate it. With women, to me it's not a certain look, I think all women are beautiful in their own way. I think it's more personality, I love a laid-back woman, and again, it's about confidence and personality. When it comes to sexual connection, I like a natural, laid-back kind of hippie personality who's open to learning and experiencing and letting it just happen. For me a sexual connection is more about personality and what's in their head than a physical look.

Is there anyone you'd like to work with that you haven't had yet?

Everybody I haven't worked with! Give me more hot guys – bring 'em on! I've liked working with everyone I've been with, but working with new people is really exciting to me. For me good sex is all about the connection, and it sucks when it's not there – I just don't think we have a good scene.

Do you get off easily?

I do when I'm masturbating, because I know what buttons to push, but it's not as easy during sex. I like to use vibrators; I like the kind that has a high speed. When I'm with another person, it all depends on the ►

► connection with the person. If we have that, any position feels good. That connection is like a natural high. It's hard for me to get off on camera, but certain positions feel better than others, like doggie and missionary. When I'm doing a sex scene, it's not so much about getting myself off as creating a hot sex scene that will get viewers off.

Tell me, what's the most sensitive part of your body?

That turns me on the most, gets me going and makes me wet?

Yes, that would be the kind of thing I'm talking about!

Kissing on my neck does it for me, or having masculine hands roaming over the curves of my body. Touch; the right touch.

What are you best at sexually?

I don't know, I'm still trying to figure it out myself! I think it's just my personality that makes me special, but sexually I don't fuckin' know – you've got to ask the people who fuck me! I enjoy giving blowjobs, but are mine better than everybody else's? Mine are sloppy and spitty and slobbery. I try to deep-throat; it doesn't always work out, but I do my best. I like the way they look, but you'd have to ask the guy how good it is, and guys are usually just happy to get them.

Does size matter? How do you prefer your cocks?

No, size doesn't really matter. I'd prefer them not to be super-small, but it's all about the way you work it. That's not just a line to make smaller guys feel better – that shit is really true.

Do you tend to be more dominant or submissive?

It depends on who I'm working with and my energy that day. If it's a high-energy day and I'm raging with power, I'm going to be more dominant. If I'm just not in the mood I'll be more submissive – though the person I'm with can change the energy and the mood.

"I ENJOY GIVING BLOWJOBS. MINE ARE SLOPPY AND SPITTY AND SLOBBERY. I TRY TO DEEP-THROAT"

And how do you feel about the cum?

It's all fine as long as it doesn't get in my eyes. As long as I'm having fun, I don't care where it goes. Of course if we're having sex in the bathroom at the casino, don't fucking get any on my dress, but other than that I don't care. It depends on the situation, 'cause I'll just swallow otherwise. Some guys' cum tastes strange, but it's not usually a problem. Guys in the industry mostly know what they're doing and what to eat.

Have you experienced any fetish sex, such as being tied up or blindfolded?

Yes, I've been tied up and it was okay. It's a cool thing to do, but you really have to trust the person you're with, and be comfortable with it. I've tried it, but it was no special turn-on.

Do you prefer to play your scenes soft and sensual, or rough and hard?

It depends. I like both. Mix it up! Fuck me hard then turn it down a bit, tease me, touch me and fuck me silly again.

Are you quiet, or do you tend to be a noisy fucker?

I'm a little bit of both. Sometimes when I'm performing I have to be loud because the director wants that from me, but in my personal life I'm not too loud – it depends on how good a time I'm having. Whatever noise I'm making is a reaction to how good whatever we're doing feels at that time.

I think we've got an idea of what Sadie West undressed is like. What's the most fun you ever had with your clothes on?

Straddling somebody and making him nervous. Seeing how far I can go with a guy with my clothes on before it escalates. Sometimes it's really hard for me to do what I want without people judging me, because I'd do it anywhere if I could. Who the hell wrote the book and decided what's "normal"? I'm normal. I just like to have sex, and I don't care if other people see me doing it. Don't judge me. I'm not doing something self-destructive. I've got a job; I pay my bills.

What do you like to do when you're just hanging out?

Just normal stuff. I have three cats, and I love them to death. Sometimes I'll watch them play around the house – it's better than TV. I love outdoors stuff; I love the

countryside. I'm always at the beach – I go to the beach with my friend and paint. We'll take our stuff and paint all kinds of beach scenes. I love motorcycles and riding them with friends; I want to get my own license this year. I want to save up my money from the industry, and I want to own a kick-ass biker bar. I like that whole environment. I'll be Sadie West: hell on wheels!

We look forward to it, and we'll come visit sometime! Got any closing thoughts for our readers?

I wanna say that I'm really excited about seeing myself in *Club International*, and I've had a really good time talking to you about all this shit. I had a lot of fun doing the layout with the photographer. It felt awesome, so I hope it looks good.

What, a set of naked pics of Sadie look good? Like, how could it not? And you really should see the lady in action on film. Check out her appearances in these titles: Schoolgirl POV 4, Sadie and Friends (and Sadie and Friends 2), The Naughty Cheerleaders Club, The Voyeur In Me, Hearts And Minds 2: Modern Warfare, All About Ashlynn 2: Girls Only, Keepin' It Fresh 2, What An Ass 7, Bound to Please 6, Fresh Outta High School 12, Nice Ass 2, I Love Big Butts 5 and The Best of Digital Sin 2008 (the latter two are compilations). Gonzo a-go-go!

THE LUST-LOADED LOWDOWN ON THE REALITY SEX SCENE!

Gonzo porn – what is it, and why do we love it so? Sheer intensity goes some way to answering both those questions. But in the following pages we'll dig a little bit deeper with this rundown on gonzo's prime shakers 'n' makers. We do know that the label "gonzo" entered porn from journalism, in which it denotes a maniacally spontaneous method, in which the journalist participates in the story he's reporting. That's also what gonzo originally meant in porn movies, in that the flicks are realistically shot so that the viewer actually feels part of the action – although it's often used simply to mean extreme too. And what a great word it is for that. Gonzo. Say it. Feels good, doesn't it? It's dumb, crazy and liberating all at the same time – so let's all go get gonzo!

JENNA HAZE

WHO ARE YOU? I'm AVN's and XBIZ's 2009 Female Performer of the Year, if you please. A boxcover babe who made her debut in 2001 but then stuck with girls during four years with Jill Kelly Productions. Don't worry, I'm back on dicks now – with a vengeance. And I'm an industry player too, with my own company, Jennaration X Studios.

WHAT DO YOU SPECIALIZE IN? Looking adorable and all-American

girl-next-door while taking fat dicks in my ass. Incredible double-handed handjobs and blowjobs. Getting nastier by the year. Being arguably the number one porn star in the world right now. Will that do?

SHOW ME THE HONEY: Early gonzo in an era-defining threeway with Aurora Snow and Jules Jordan in *Flesh Hunter 3*. Then rereleasing the inner gonzo girl in 2006's *Jenna Haze Dark Side* from Jules Jordan.

TORY LANE

WHO ARE YOU? I'm a Florida fuckstress who's been getting dicked on film since 2004. I've become a go-to gonzo favorite, mainly because I'm all over blowbangs, anal, DPs, you name it. Oh, and also because I give the impression that I subsist on a diet consisting of 90 percent cocks and ten percent cum.

WHAT DO YOU SPECIALIZE IN? Well, I really specialize looking hungry for dick, but let's trim that down to anal. I don't do too many scenes that don't see me taking it in the tightest hole, and if I can fit a dick in my pussy at the same time, that's sweet too. Casting a gonzo movie? You need me there to bring the energy.

SHOW ME THE HONEY: Directing the dirt as well as getting in on the act in all five scenes of Sin City's *Tory Lane's Bitches*, or giving you a bone's eye view in *Elegant Angel's Please Drill My Ass POV Style 2*.

Action!

YOUR GUIDE TO THE PEOPLE WHO MAKE IT HAPPEN!

EVIL ANGEL

The adult industry giant often referred to as "The Evil Empire" can lay claim to be the spiritual home of gonzo. Evil emperor John Stagliano is the performer, producer, director, libertarian and entrepreneur who's generally credited with inventing gonzo porn with his *Buttman* movies, which number more than eighty and counting. Although Stagliano's scenes don't necessarily involve anal sex, every single one of them is a paean of praise to the female ass.

Evil Angel have distributed product by such big name directors as Jules Jordan, John Leslie, Rocco Siffredi, Joey Silvera, Nacho Vidal, Jonni Darkko, Manuel Ferrara, John Leslie (check out his *Fresh Meat* and *Crack Her Jack* series), and hardcore star Belladonna, who has directed about 40 titles for the outfit. Evil Angel also puts out director Christoph Clark's Euro Angel product, as well as the long-running and multi-award-winning *Service Animals* series, veteran porn star turned director and producer Joey Silvera's most notable gonzo line. Evil Angel, busy? You could put it that way.

ELEGANT ANGEL

Founded in 1990 as a subsidiary of Evil Angel Video, in 1996, Elegant Angel became a separate company. The outfit briefly benefited from the talents of directors Rob Black, Tom Byron and Van Damage, all of whom left the following year to form Extreme Associates. Elegant Angel's video series including *Big Wet Asses*, *Cumback Pussy* and *Sodomania* are among the most popular gonzo lines available, and there's now an Elegant Angel Europe outfit to optimize foreign sales.

We should mention in dispatches Elegant Angel's excellent *Buttwoman* character line, of whom Alexis Texas is the latest star. And then there's the *Slutwoman* franchise, of which the two *Annette Schwartz Is Slutwoman* flicks are especial *CI* favorites. The teaming of super-hardcore performer Annette with director Mason, AKA Sam No (she's a she, by the by), has been a marriage made in gonzo heaven. Each of the pair coaxes the best work out of the other, and that's good for everyone.

BELLADONNA

WHO ARE YOU? My name, Belladonna, means beautiful woman, and also refers to the poisonous plant deadly nightshade. Beautiful and deadly – I like that. I'm the gap-toothed 27-year-old porn legend who rewrote the book on nasty. I made my debut in 2000 and I'm still going strong, directing hard lesbian lines and still getting my share of dick too.

WHAT DO YOU SPECIALIZE IN? What don't I do? I made my name with a string of hard anal scenes, and I can deep-throat pretty much any dick you care to throw my way. Dammit, I've even banged transsexuals. I've won stacks of awards for my gonzo scenes, and now I'm seeing just how far the dykes in this porn biz want to go.

SHOW ME THE HONEY: Let's go for an early DP – and DAP, people – in Evil Angel's *Ass Worship 2*. Then we'll have a slice of dirty dykers in the same studio's *Belladonna: Fetish Fanatic 5*. Last up? Getting buggered again in *Belladonna: Manhandled*.

BOBBI STARR

WHO ARE YOU? I'm a hottie from Santa Clara, California, who's probably the fastest rising porn star right now. I'm a natural 34-27-39, started my porn career in 2006 and got nominated for three gongs at the 2009 AVN Awards, including Female Performer of the Year.

WHAT DO YOU SPECIALIZE IN? I've got plenty of anal, DPs and gangbangs on my résumé, but I started out doing a whole bunch of kinky submission and bondage

scenes on the web. Although I've gone slightly more mainstream now, I'm still one of the nastier girls in the modern porn world.

SHOW ME THE HONEY: There's some fairly kinky stuff in Adam & Eve's *Surrender of O* and New Sensations' *Ties That Bind 2*, but the real classics are Jules Jordan's *No Cum Dodging Allowed 8* and European label Harmony's *Bobbi Starr: Nymphomaniac*.

JULES JORDAN VIDEO

Having upped sticks from Evil Angel, in 2006 director Jules Jordan set up his own adult DVD manufacturing and distribution company to sell his own movies, as well as those of other directors, such as Chris Streams. Acclaim followed swiftly, and Jules Jordan Video accordingly won the prize for Best New Production Company at the 2007 AVN Awards.

Big butts, and use of sex toys and fetish costumes, are the principal hallmarks of Jordan's films, most notably *Flesh Hunter*, *Ass Worship*, *Feeding Frenzy* and *Weapons of Ass Destruction*. While we're recognizing successful JJV gonzo movie lines, we should also give (dis)honorable mentions to Chris Rolie's *All Internal* and Mike John's *No Cum Dodging Allowed*, as well as *Cum In My Ass Not In My Mouth* by Erik Everhard. Take a bow, gentlemen. But not naked, and not too low, now.

ANABOLIC VIDEO / DIABOLIC VIDEO

Since its inception in the early 1990s, the Anabolic studio did a great deal to break gonzo. Within a few short years, success had allowed the company to integrate Diabolic Video, founded in 1998. During the sister companies' thriving early years, such directors as Vince Vouyer, John Strong, Erik Everhard, Jon Dough and Lexington Steele were making some of the finest gonzo around. The outfits weren't able to keep that prestigious roster of star directors in harness for more than a few years – or even their own business relationship, for that matter. Since the two companies split in 2007, Diabolic has gone more upmarket. The latter outfit's star director, former Extreme Associates wunderkind Ricky D, directs many of their more successful lines, such as *Diabolic 2 on 1*, *Ass For Days*, *Hot Sauce* and *Incumming*.

TOM BYRON PICTURES

Directed by the company boss himself, the House of Ass and Lord of Asses lines are recommended ass-bustin' extravaganzas from Tom Byron Pictures. In the course of a lengthy career, veteran performer Byron has directed about 130 films, most notably the *Cumback Pussy* series for Elegant Angel, the outfit Byron quit in 1998 to help form Extreme Associates. Apart from the company that bears his name, Byron also owns Evolution Erotica, closely associated with Extreme Associates. The Evolution series *Seasoned Players* is not only directed by Byron, but also features the man himself in every scene, fucking such trouperas as Keisha, Amber Lynn, Monique, Teri Weigel, Stephanie Swift and Olivia O'Lovely. When you own the company, you can do this.

SHYLA STYLEZ

WHO ARE YOU? A Canadian cockhound – from British Columbia – who started on the schlong in 2001 at the age of 19, took a humping hiatus, then returned bigger (in the boob department) and better to become a fully rounded gonzo cumhound.

WHAT DO YOU SPECIALIZE IN? I've got two specialties – a generous rack and a hungry butt. I started out getting my ass packed in popular gonzo lines, and

after I got my tits enlarged to 36DD, I put them to work too. With curves all over the place, it's no surprise that you'll find me tit-fucking and assfucking for your favorite gonzo directors all the time.

SHOW ME THE HONEY: Let's see now – check out Shyla 1.0 in Anabolic's *Balls Deep 4* – DP, DPP, but small tits. Then check out Shyla 2.0 in Elegant Angel's *Performers of the Year 2009* – anal, ass to mouth and big tits. Hooray for me!

REBECA LINARES

WHO ARE YOU? A Spanish sweetie from San Sebastian who came to the USA in 2006 to bolster my banging career. Smart move. Since then I've picked up stacks of award nominations, thousands of fans and dozens of dicks.

WHAT DO YOU SPECIALIZE IN?

English isn't my first language – sex is. I might have slipped under the gonzo radar if it hadn't been for my

sweet looks being combined with a trio of seemingly insatiable holes. I've done no shortage of anal, ass-to-mouth and DPs. Okay, I may not be in demand for features, but in a gonzo movie I'm a surefire stroker.

SHOW ME THE HONEY: Watch me get double-plugged in the relentlessly nasty *Slutty and Sluttier 2*, and sphincter-stuffed in *Performers of the Year 2008* and *2009*.

RED LIGHT DISTRICT

Although not exclusively a gonzo production house, Red Light is motivated by an astute business sense that's led them to specialize in the genre. The outfit was formed in 2002 by veteran Anabolic director Vince Vouyer and ex-Elegant Angel bigwig Dion Giarrusso, inspired by Evil Angel's business plan, whereby producer/directors owned their own movies. Consistent with that, Red Light has turned out movies directed by Vouyer as well as fellow Diabolic alumni such as Erik Everhard and Lexington Steele (see how this all ties up?). Vouyer's own titles are owned by his company Vouyer Productions.

RLD also handles European distribution for Elegant Angel. And its extensive list boasts 2004's *1 Night in Paris*, starring Paris Hilton. Remember that one? One of the biggest selling adult movies ever. That's if you can really call it a movie. It's reality porn all the way – true gonzo.

VOUYER MEDIA

Founded in 2005 by the aforementioned Vince Vouyer, Vouyer Media produces hardcore gonzo DVDs shot in widescreen HD by a stable of directors including Jack Napier and VV himself. In that latter category comes Vouyer's long-running *Breakin' 'Em In* series, a popular gonzo take on inducting industry newbies.

EXTREME ASSOCIATES

Extreme Associates is the pioneer adult movie company owned by Rob Black (real name: Rob Zicari); his wife, the director Lizzie Borden (Janet Romano) and Tom Byron. Founded in 1998 when Black and other directors including Tom Byron and Van Damage broke away from Elegant Angel, Extreme exists to push the hardcore envelope as far as it will go. And then just a teensy bit more.

Other significant Extreme directors past and present have included Luis Cypher and Thomas Zupko. Then there's Mark Zane, who made *The Adventures Of Diablo The Crippled Midget*. Hmmm...

ZERO TOLERANCE ENTERTAINMENT

Zero Tolerance for bad porn – that's this company's promise, and it's one they deliver on. They're always raising the bar in terms of both production quality and extremity of their content, and in their contract performer/director Courtney Cummz, they have a talent they can count on to deliver the goods on either side of the camera.

Being a company that casts its net wide, not all ZT's output comes under the gonzo banner. But we don't hold that against it.

HOLLY WELLIN

WHO ARE YOU? I'm from the cold, wet north of England. But since moving to the States a couple of years back I've been smuggling cocks into all my special places. Although I'm only 22, I've already been fucked in over 250 movies and picked up an Unsung Starlet of the Year nomination at the 2009 AVN Awards.

WHAT DO YOU SPECIALIZE IN? Talking nasty in my English accent. Directors, studs and fans go crazy for a Brit babe guzzling goo and getting her bum banged while speaking the Queen's English. Oh, and any dick, any size, will go in my ass.

SHOW ME THE HONEY: Showing how dirty dykes can get in JM Productions' *Violation of Flower Tucci*, and chowing down on a veteran's vag-filler in Tom Byron's *POV Fuck Movie 2*.

ANNETTE SCHWARZ

WHO ARE YOU? I'm a German blonde who started out in way-hardcore German films before conquering US porn too. If there's a finer, more extreme gonzo babe out there, I'd like to meet her. But I don't think she exists, which is why XRCO gave me their Superslut award in 2008.

WHAT DO YOU SPECIALIZE IN? I could say DP, DAP, blowbangs, bukkake or all kinds of depraved stuff. But let's go for

deep-throating – I'm known for taking the jizzbiz's biggest dicks not just down to the balls, but also including the balls.

SHOW ME THE HONEY: Award-winning face-fucking is the order of the day in the appropriately titled *Face Fucking Inc. 3* from Evil Angel. And you can see me doing just about everything legally allowed in the searing *Ass Worship 10* from Jules Jordan Video.

BRAZZERS

For many porn fiends, Brazzers is the first port of call for niche market gonzo jollies. The internet hub for 23 websites each staking out their own particular slice of hardcore turf, for a reasonable membership fee Brazzers has over 2000 mind-boggling and cock-stiffening downloadable and streaming scenes of high picture quality.

ROBBY D

You didn't expect to see high-end outfit Digital Playground mentioned in this article on gonzo, right? Fair enough, but we can't let the occasion pass without tipping the hat to Robby D, director of DP's popular unscripted reality lines *Jack's Playground* and *Jack's Teen America*. Them's good.

VIVID ALT

The Vivid porn empire is well known for its glossy productions featuring its glamorous contract girls. But gonzo? Well, yes, Vivid have been doing that too, in their own stylish way, since 2006's foundation of Vivid Alt. Headed up by director Eon McKai, Vivid Alt puts out attitude-heavy alternative hardcore shot by some of XXX's more outré talents, such as Dave Naz, Benny Profane, Kimberly Kane and Dana DeArmond (see next page), and pitched at a media-savvy audience weaned on artsy rock videos. It's XXX gone edgy, and fine stuff too, if that's the way you roll.

JOANNA ANGEL

As founder of the alt porn phenomenon Burning Angel, model, performer, director and entrepreneur Joanna Angel has been instrumental in blurring the boundaries between amateur and professional in the world of adult entertainment. Festooned with tattoos and piercings, and brimming with rock 'n' roll attitude, Joanna never gives less than 100 percent. In front of the camera, she's as nasty a performer as you can find anywhere, while in the boardroom she's a businesswoman par excellence.

For the best introduction to Joanna's take-no-prisoners approach, we'd point you towards her turn in the spoof gorefest *Re-Penetrator*, in which she stars as – would you believe – a lust-crazed zombie hooker. Her scene fucking Tommy Pistol in a heap of bloody guts earned her the 2006 AVN Award for Most Outrageous Sex Scene. Deservedly, in our opinion. That's not a thing you see every day.

DANA DEARMOND

WHO ARE YOU? A Carolinian cockfiend. I started my porno career in 2005 at the rather late age of 26, but I'm picking up a head of steam and getting increasingly well known for my intense gonzo performances. In a world of blondes, I'm an edgy brunette with natural tits and a hardcore attitude. Ha!

WHAT DO YOU SPECIALIZE IN? Alt porn intensity. Sometimes I'll be quiet in a scene, but that's because it's all about the fucking. I'm no stranger to anal, a bunch of guys cumming in my mouth, DPs, and fucking the hell out of other babes.

SHOW ME THE HONEY: Ingesting more than a month's supply of protein from a crew of cocks in Jules Jordan Video's *Sperm Receptacles 3*, and bringing gonzo to Vivid in the self-directed *Role Modeling*.

FLOWER TUCCI

WHO ARE YOU? A Californian cockhound who made a splash (more of which later) when I hooked up with Seymore Butts and put my ass on the line in a bunch of his movies. You might have seen me on Showtime's *Family Business*. You should have seen me take a fat one in my ass.

WHAT DO YOU SPECIALIZE IN? Anal aside – and I do that a lot – let's go for vaginal squirting. Yup, I'm in lots of very damp movies, such as my own *Flower's Squirt Shower* series. I'm at home dousing dames or dudes.

A squirt, a cock in my ass, even a butt to rim – I'm happy.

SHOW ME THE HONEY: Check out those *Flower's Squirt Shower* movies – courtesy of Elegant Angel – which all feature anal action as well. You'll also want to jerk your joint to a bunch of Seymore Butts movies, such as *Tongue in Cheeks*, *Finding Tushyland* or *Flower Power*.

ROCCO SIFFREDI

Ah, Rocco Siffredi. Veteran Italian performer Rocco has made roughly 1,500 porn scenes in several countries the world over, and directed over 150. His movies are distributed in America by Evil Angel. Now, you've heard of those suave, seductive European gentlemen? Well, Rocco ain't one of them. He's always been big on anal sex and anilingus. Packing a nine-inch dick that has earned him the nickname of the Italian Stallion, Rocco has a well-earned rep for using it in a intensely aggressive manner, which is displayed at its best (or, actually, worst) in his *Rocco's Initiations* and *Rocco: Animal Trainer* series. You may want to see them, out of curiosity if nothing else. Alternatively, you may want to give them a wide berth. Here at *CI*, we wouldn't handle them with fire tongs, but maybe that's just us.

SEYMORE BUTTS

Aw, you know Seymore Butts, right? But for those few of you who don't, Seymore (real name Adam Glasser) is the ass-fixated veteran adult film director and producer responsible for hundreds of purportedly reality-based gonzo films. Butts, in fact, lives a gonzo life, which in 2003 was the subject of Showtime's popular "reality" program *Family Business*. That show endeared him to countless thousands of viewers, many of whom had little or no previous knowledge of the adult industry, for which the affable Butts provides an acceptable face.

Butts' famous band of Tushy Girls has included in its ranks the likes of anal queen Alisha Klass, Mari Possa and Flower Tucci (Oh look – there she is on the left!). We don't know where Seymore's been finding 'em, but we're sure glad he has.

SHANE'S WORLD

Hot porno party babes Penny Flame, Devon and Devinn Lane number among the directors for Shane's World Studios, the outfit that, on its foundation by Seymore Butts' ex-fiancée Shane in 1996, became reality porn pioneers. Their tried and trusted method is to take porn stars out into the "real world" and film the ensuing carnal commotion. Generally – as in the popular *College Invasion* series – this involves a full-on frenzy of frat house frolics. Let's face it, how else are a bunch of drunken college students ever gonna get to fuck a porn star unless one shows up at one of their keg blasts? In this regard, Shane's World is here to help.

SMASH PICTURES

Founded 2001, Smash specialize in fetish/ niche-themed product. Among their best-selling lines are the *Legal Skin*, *Down Your Throat* and *Cheating Housewives* movies. Their star director is gonzo favorite Kevin Moore, whose most notable recent job was directing the Love Twins in blowjob spectacular *Killer Grip 4*. Nice, that one...

RODNEY MOORE

Having been performing and directing since 1992, gonzo trailblazer Rodney Moore is well on the way to notching up 500 movie directing credits, and even more scene appearances. That's an awful lot of spunk. Yes, the man known as the "King of Cream" specializes in prodigious facial cumshots. Props for that, Rodney. Uh, point that thing somewhere else, please...

NEW SENSATIONS/DIGITAL SIN'S

ADDICTED 6

HARDCORE SEX: IT'S A NASTY HABIT! HERE, OUR REPORTER EMMA EDWARDS GETS HER FIX – AND DEALS US OURS!

At one time or another, we've all succumbed to the addictive power of love, whereby a special someone has captured our hearts and minds so totally that every moment without them is torture. Combining the power of that desire with glamorous hardcore sex is award-winning director Miles Long, in charge of the sixth installment of the *Addicted* series. For this movie, Miles has once again compiled a cast of highly sought-after porn stars; delectable divas who are just as habituated to the thrills of having sex as we are to watching them surrender to their carnal desires. And chief among them is the movie's star, Sadie West, New Sensations' latest contract princess, and this issue's guest star interviewee.

Upon entering the sprawling mansion that's acting as the movie's location, I immediately see sexy Sadie herself spread out across a glass table like liquid gold, ►

► decorated with scads of diamonds for her photography session. Gianna Michaels sits on the sidelines in a red satin gown, shoving her monster DD rack into her halter dress with one hand, and paying close attention to her moist pussy with the other.

"Just say the word, Miles and I'm in," she laughs, eager to claim the newbie for her very own.

After a quick wardrobe change, action is called, and Gianna dives right in with a bottle of champagne at her side and a hungry look in her eye. Immediately she takes hold of Sadie, peels down her black gown, and drenches her luscious titties with trickles of the sweet bubbly.

"Suck my nipples, baby," Sadie whimpers in appeal, grabbing a fistful of Gianna's silky auburn hair.

Gianna's pearly teeth worry at her glossy lips. Then, "Wanna see what else my mouth can do?" Gianna teases, as one of her hands trails a glass cock down Sadie's tight stomach to her freshly-shaven slit.

"I want you to sniff my panties and yearn for my pussy," Sadie insists as she spreads her legs open. Gianna does as she's been told, then tears off the lacy fabric and sticks her tongue deep within Sadie's sticky snatch. Gianna feasts a bit before wetting the glass cock, and gliding it slowly inside Sadie's hole.

"Take my cock," Gianna says as she begins to jackhammer Sadie, while the latter slimes the glass table with gobs of her girly goo.

"Sadie, it's your turn," Miles directs as Sadie sticks one end of a double-headed dildo in her hole. With the other end she impales her haughty bitch on top of her thighs in reverse cowgirl.

"Bounce, baby!" Sadie commands while Gianna humps the pole, full-bore, until her heavy, bouncing hooters practically blacken her eyes. Yeah, I'll be the first to admit it – I'm addicted to this already!

In wrapping their scene, the girls make sure they lick up every last drop of cooze cream from each other's cunt before Lexi Belle and Alex Gonz take center stage for their turn.

When it's time, Lexi glides onto the set looking like a fairytale princess in a slate blue gown, a far cry from the cutesy ingénue of a year ago.

"I feel like a million bucks!" Lexi proclaims, then drops to her knees to get a mouthful of Alex's cock and balls.

"I guess we'll start here," Miles laughs while he captures Lexi's natural predilection for sucking Latin lumber. She weaves her small hands around Alex's veiny shaft and tickles ►

► his balls with her nibbling teeth.

"Deeper, Lexi! Deeper!" Alex moans as Lexi comes within a few inches of going balls-deep.

After several minutes of having his cock treated like a melting popsicle, Alex positions Lexi on an elegant sofa and returns the favor with lots of tongue and gobs of spit for her pretty clit. "Fuck, you taste like peach candy," he declares as he dives in for another lick of her sugary sweet slit.

With a sticky face, Alex pulls back, pulls Lexi open by the ankles, and wedges his cock inside her pussy flaps. "Fuck, this is tight. This is real tight!" he moans, swiveling his hips around to allow his cock deeper passage into her carnal canal.

"You like fucking my glamorous little cunt?" Lexi teases rhetorically, spinning herself into a doggie crouch with Alex's cock still wedged inside her. "Try me out this way," she continues, pulling her buttocks apart while burying her face in a stack of pillows.

With no need for words, Alex plows ahead until a frothy cum shower adds shimmer to Lexi's newly polished look!

After a break, Alexis Texas stops conversations in mid-sentence when she glides into the room in a lace gown for her scene with James Deen. We onlookers are all dumbstruck as Alexis drops down on all fours to delight us with her famous ass dance. Mesmerized, James' head follows the motion, until soon his face is stuck between her fleshy buns.

Turning around, Alexis prints red ovals around James' cock with her

cherry-colored lips. "Like a candy cane," she smirks, running her tongue over her artistic creation.

But a prettier sight is the Texas bounce, so Miles directs James to place Alexis on top of his lap in cowgirl. Like poetry in motion, Alexis starts revving her engine until her caboose is bouncing up and down James' joint so powerfully that seismic sensors could doubtless record her earth-shaking display of booty power.

Looking over her shoulder, Alexis lets out a sweet giggle when eyeing the roomful of people admiring her dancing derrière. "Yeah, I know y'all love it!" ▶

What, Alexis' ass is fucking fantastic, you say? Funny – that's just what we were thinking

Sadie West: lousy trumpeter, fantastic cocksucker

► With my scribbled notes becoming increasingly illegible, I'm relying on my memory to report that the action continues with ever nastier action, including intense doggie domination and severe spoon tapping. The climactic cum spray ends the scene even more deliciously than it had begun. We're now all addicted to Alexis' ass!

The following day includes two more scenes, with the promise of watching Sadie take on a big fat European sausage! She emerges from the make-up room looking almost too beautiful to touch – but evidently not quite. Because as soon as he's had one look at her, Danny Mountain's instantly reaching toward her with one hand as the other reaches for his zipper, to relieve the boner that's already growing inside his pants.

"Come suck me now, Sadie," Danny says in his English accent, while Sadie teases him by intently continuing to fuck her pussy with a glass toy. "Bullshit!" he protests, pulling Sadie over to practice her pecker-polishing skills.

Obviously a person who adores a little male domination and a lot of male cock, Sadie visibly gets off on Danny's request as she sucks the hell out of his horn while practically paddling in the puddle of liquid pooling around her feet.

"I'm addicted to dick!" Sadie purrs. Then Danny turns Sadie topsy-turvy, twisting the pint-sized princess all around his cock like a circus acrobat. Now he's got her spread out in mish, now bent double licking her kneecaps in doggie, now banging her meaty clit like a bongo drum in reverse cowgirl. All the while, the sausage-stuffed sepot's crying out for more. In the end, the only thing to stifle Sadie's lust and silence her mouth is the splash of spunk that coats our princess from navel to nose. Delectable!

For the final scene we're treated to the appearance of Lisa Ann, the queen bee of MILFdom, as she strolls on set in a fiery red gown, looking like the epitome of every man's wet dream. Expert cock-stud Erik Everhard obviously agrees, going right to work on a woman who's no stranger to pleasuring poles.

"Ready to fuck?" Erik asks.

Immediately, Lisa Ann takes her place atop Erik in the cowgirl position, and begins to ride him hard and fast, making him whimper and pant. "I'm always ready!" she insists, while securing his hands over his head by the wrists.

"My Gawd, girl! Keep going!" Erik hollers, feeling the warm splash of her snatch sauce

covering his meatballs. Knowing exactly how to move on him to achieve maximum pleasure, Lisa Ann continues until sated, then she bends herself over into doggie.

"Come and get..." she begins, but Erik's already six inches inside her and counting before she can complete her sentence. Within mere seconds, Lisa Ann's churning out another buttery splash all over Erik's crotch. While she continues to instruct us all in the art of sex we spectators watch in awe; some of us - including Sadie - taking notes on this erotic expert in action.

"Damn, that girl is good!" Sadie says, squealing in delight when Lisa Ann captures Erik's salty blast, using her tongue, fingertips and tits to sop it all up.

Whew! The power of addiction is as undeniable as the sheer lust of the desirable dames in *Addiction 6*. It's pointless to fight it, so just give in and get *Addicted* - you won't regret it! You can find out more information at www.NewSensations.com. ♣

THE LUSTIEST LIBRARIAN ALIVE!

Nice – very nice indeed. With the kind of body and upfront attitude we're more used to encountering in a porn babe, Rachel is more than worthy of *Club International* centerfold girl status. That's quite an achievement for an amateur – a librarian, indeed. Yes, Rachel works in a library. We're not at liberty to tell you where (somewhere south and east of Seattle, Washington is all we're prepared to say) because that could seriously spoil her working day. Imagine – a hundred guys who have seen these pictures, all lining up at Rachel's desk to borrow books they have no intention of reading. And possibly trying to strike up inappropriate sexual conversations. In a library, where, as we all know, you can't talk about any damn thing, let alone sex.

"Still and all," remarks Rachel, "that doesn't stop some crazy shit happening sometimes..."

Naturally, that gets our attention. Tell us more, we implore the foxy femme. We're all ears. Not just cocks...

"Well, there was the time I sucked off one of my co-workers in a closet. It didn't take more than a minute from start to finish, so we weren't missed. Thing is, it wasn't until three hours later, when I was fixing my hair in the ladies' room, getting ready to go home, when I noticed a big dollop of that guy's spunk had landed on my sweater. In that time I must have dealt with maybe fifty or sixty people with spunk on my top, can you imagine? Jeez, how embarrassing!"

So you'd think. But we harbor a sneaking suspicion that our Rachel may just have a teensy-weensy exhibitionist streak. ♣

LET'S PARTY NAKED!

NUDES-A-POPPIN' 2009!

Summer's coming, and soon it'll be time once again to head over to the Ponderosa Sun Club in rural Roselawn, Indiana for their Nudes-A-Poppin bash. Yes, our favorite annual outdoor nude beauty pageant throws open its gates again on Sunday July 19th. This is the event that gives a huge crowd of party people a look at some of the adult entertainment biz' nastiest babes competing for such coveted titles as Miss Nude Go-Go, Miss Nude Rising Star, Miss Nude Showstopper of the Year... You get the picture? There's also such wood-inducing activities as a wet T-shirt contest. Really. Those naked girls actually put T-shirts on, because it looks sexy when... Oh, never mind, you know how it goes. Oh, and you can tell your ladyfriends that there are Mr. Nude events as well, apparently – although we've never actually seen any of those. Honest.

They always get big porn names to host Nudes-A-Poppin. Among others, we've seen Jessica Jaymes, Teri Weigel, Devon Michaels and Tabitha Stevens take the mic. And, year in, year out, Ron Jeremy – the Hedgehog practically lives there, bless him.

We've also seen Nudes-a-Poppin events graced by the presences of such star entertainers and party monsters as Gene Simmons of Kiss, Kid Rock, Vanilla Ice, Motorhead's Lemmy, Guns N' Roses/Velvet Revolver rockers Slash and Matt Sorum, Traci Bingham, Stray Cats drummer Slim Jim Phantom, and actor Corey Feldman (it's okay, he's not a kid anymore! He's, like, late 30s!).

Surely that's enough to convince you to scoot on over and get fresh with the flesh. If you do, don't forget to tell 'em that *Club International* sent ya!

To get the full lowdown, go to www.nudes-a-poppin.com. And you can get a taste of all the fun that goes down at the event by checking out any of the *Buttman at Nudes-A-Poppin* series of movies. ♠

Always ready for action, that's Carla here, as her man Tristan knows full well. He's just gotten home from work to find Carla's already got a head start on him. Having stripped down to her underthings, she's been keeping the bed – and her cunt – warm in anticipation of his arrival. So naturally, despite feeling bushed after his long working day, Tristan hits the ground running. A little investigative coochie-fingering reveals Carla's clam to be creamy and cozy, and raring to go.

"C'mon, Tristan," gasps Carla, breathing heavily, "let me suck that lovin' cock of yours..."

"Oh, you want my cock, huh?" counters Tristan, trying to seize dominance of the situation. He really should know better by now.

"Want it? Bullshit – I need it! Your cock! In my mouth! Now!"

Well, who's gonna pass that up? Certainly not the T-man, who swiftly slips his stiffening sausage into his sweetheart's mouth. She expertly preps Tristan's pork with her concentrated sucking action, a few minutes' worth of which has him ready to move on into her poon.

"Still need my cock, huh?" inquires Tristan with a sneer.

"You know I do, stud – always. And right now I need your fat fuckstick in my box. So shut up and fuck me!"

And Tristan has the good sense to do as he's told. He keeps right on pushing his pecker until he's busting loose a load of juice in Carla's cooze! And that's it until the next time – which could be anytime. Maybe tomorrow. Or maybe even sooner than that... ♠

DIRTY THREE!

What's a horny lady to do when a pair of studly strangers pays her a call? Well, I'll tell you what I did a few days ago, when two guys arrived to put in the cable for my broadband internet access. They were both pretty buff, even in those vile uniforms of theirs. While one of them, Lane, started work downstairs, his co-worker Aidan asked

me where my terminal was. "My bedroom," I replied. "I'll show you the way." And I led him upstairs. I did my best to answer his questions about technical stuff, but my mind was on something else. I was eager to find out what he was packing inside that uniform.

I was pretty forward, I admit, as I caressed Aidan's firm torso. That put paid to the questions. Moving closer, I mashed my breasts against his body, and ground my hips into his, feeling the stiffening bulge in his crotch. There was no going back now, so, taking Aidan's hand, I led him towards my bed. Sitting down on

Lane quickly stripped so I could suck his dick while continuing to get my cunt pumped by his pal

it, I placed his hand on the wet crotch of my panties beneath my skirt. As he began rubbing me there, I pulled down his pants, releasing his hard cock. I sucked hungrily on that thing, as though my life depended on it. But not for long, because he suddenly tore off my panties, pushed me down, and fell on top of me, sinking his dick into my wet clam. So began the good, hard fucking I'd been so desperately craving.

After a few feverish minutes of urgent sex, I heard Lane's voice calling out, getting louder as he mounted the stairs: "You done yet, dude?"

"Hell, no!" Aidan grunted in reply. He wasn't kidding about that, as Lane discovered a few seconds later when he made the doorway. "Jesus, buddy..." he exclaimed.

As Aidan continued determinedly thrusting away at my poon, I decided to help Lane out a little. "No use hanging around with your mouth open," I said to him with a wink. "That's my job!"

Taking the hint, Lane came over beside where I was lying on the bed, and quickly stripped so I could suck his dick while continuing to get my cunt pumped by his pal. We kept that up for a short while before moving into a variant that I believe is known as a

spit-roast. That involved me positioned on all fours on the bed sucking off one guy while the other fucked me doggie-style. Nasty? *Moi?* You fucking bet!

The three of us mixed things up a little bit more before we were through. And the payoff, when it came, was a knockout. That saw me lying on my back, frigging my clit to a noisy climax, while my loving studs whacked off, eventually spraying their jizz over my writhing body. After that, I made coffee for all of us, then insisted Aidan and Lane finally put in my internet access, before we all forgot the real reason for their visit!

Way to go, Envy! I've never seen tastier-looking meat in a spit-roast – just perfect for some of my gravy! In fact, your pictures gave me and my pal Jonesy an idea. The other night we were drinking with this girl we know named Sherry. She can be quite outrageous when she drinks, and wound up telling us about her fantasy of being watched while she has sex. After a while we took the party back to my place, where I started to try my luck with Sherry. She was really into it, uninhibitedly responding to my advances, and soon we were both stripped naked and getting it on while Jonesy watched us.

We moved onto the couch, with Sherry on top of me bouncing away on my jock. After a while I saw Jonesy's form looming up behind her, and his hands come around to grab her tits. I could tell the instant Jonesy pushed his dick into Sherry's ass from her delirious reaction. After that, it was mayhem. At some point Sherry switched around and sucked Jonesy's cock while I licked her pussy, and then we two dudes took turns in her ass, mouth and cunt, switching positions every so often. Sometimes one of us would take a break and watch the other fucking Sherry before joining in again. It was the wildest night ever!

JANA COVA LUST

STARRING Jana Cova, Sammie Rhodes, Leigh Livingston, Bobbi Starr, Maya Gates, Marlie Moore, Andi Valentino, Brianna Love, Tommy Gunn, Jean-Claude Batiste, Ben English, CJ Wright

DIRECTOR Celeste

RELEASED BY Digital Playground

Although headline attraction Jana Cova is strictly a sapphic performer, this flick comes with a good mix of heterosexual sex. Bobbi Starr stars in one such scene, giving up her pussy and ass to Tommy Gunn and Jean-Claude Batiste. Wrangling both cocks like a champ, she gets more than a mouthful when the cum starts to fly.

The first slice of lezzie love comes when Jana shoves Sammie Rhodes' panties into her mouth. Our hostess then follows that up with a thick glass dildo to her galpal's gash. Jana also receives some liquid love once Sammie goes below to lick up Jana's juice.

Leigh Livingston is another notable babe who looks great when sucking on a lollipop, while being rocked hard in spoon by Ben English. She gives as good as she gets, but not as good as Maya Gates who takes CJ Wright's chocolate thunder up her ass.

Soon, Jana's playing dirty again, this time with big-bootied Brianna Love. Jana's evidently in awe of Ms. Love's big butt, which she worships before connecting crotches to a double-ended dildo.

As hot as that is, the final set with Jana, Marlie Moore and Andi Valentino is off the charts, demonstrating Jana's genuine lust for pretty girls with tasty twats.

EXTRAS

You can look forward to an entire crop of exciting trailers, followed by an extensive photo gallery. The behind-the-scenes featurette of the crew in action is also quite appealing, although not as enjoyable as watching the cameraman follow the girls around the set.

ALEXIS TEXAS IS BUTTWOMAN

STARRING Alexis Texas, Kristina Rose, Jenna Haze, Gianna Michaels, Michael Stefano, Mark Ashley, Mick Blue, Anthony Rosano, Mr. Pete

DIRECTOR William H and Sam No

RELEASED BY Elegant Angel

Here, directors William H and Sam No have put together five hot scenes that show porn princess Alexis Texas' most ass-tonishing ass-et at its best.

Alexis begins on her hands and knees, shaking her magnificent rump against bootylicious babe Kristina Rose. The action quickly heats up when Michael Stefano wedges his head between the duo's delectable mounds before taking each girl for a torrid spin. Then Alexis is joined by top-heavy tart Gianna Michaels for some lesbian fun before Mark Ashley adds his sausage to the clambake. The girls rapidly turn into carnivorous sluts who stuff their pussies to capacity.

We next find Ms. Texas bumping and grinding on top of Mick Blue after he picks her up along the California coastline. The scene is hot, making for a voyeuristic tease not to be missed. Then Alexis is joined by

Jenna Haze, who dazzles when giving up her asshole to Anthony Rosano.

But it's torrid Texas herself who turns this movie into pornographic gold in the final scene (see the bottom two pics here), when she inaugurates her asshole for the first time on camera with the help of expert backdoor man Mr. Pete. The results are incredible, making this a must-see for Alexis' fans! Alexis is unsurp-ass-ed!

EXTRAS

You also get an in-depth interview from both directors about the making of the movie, a segment of amusing moments, and some extra footage from the cutting room floor. You can also look forward to an updated documentary about the *Buttwoman* series, a hysterical bloopers reel, and more hot trailers for upcoming attractions. Oh – and did we forget to mention the bonus scenes star Brianna Love, Tiffany Mynx and Tianna with two additional scenes from Alexis Texas? Oops!

MIKAYLA MENDEZ SEXY BITCH

STARRING Mikayla Mendez, Alektra Blue, Tory Lane, Tanya James, Jenaveve Jolie, Carmella Bing, Danny Mountain, Marco Banderas, Niko, Randy Spears, Barry Scott, Barrett Blade

DIRECTOR Brad Armstrong

RELEASED BY Wicked Pictures

In this offering, director Brad Armstrong showcases one of the adult industry's most glamorous women, buxom bombshell Mikayla Mendez. The sexy señorita sizzles in a series of top-notch vignettes, the first of which finds Mikayla in the bath getting herself all soaped up and wet for Danny Mountain. Eagerly, he joins her in the water to get his pipe sucked clean, then makes quite a splash hoisting Mikayla's leg over the claw foot bathtub in order to get her boobs swinging in standing doggie. ¡Olé!

Mikayla continues to display her assets when joining Jenaveve Jolie and Marco Banderas for a hot Latina lovefest in a parlor where the girls suck and pound Marco's meat.

After that it takes not one but three other cocksluts to mirror Mikayla's Mexican mojo when they all get tongue-stuck in twat across a billiards table. Nice!

Following that, Mikayla and busty Carmella Bing both do the horizontal mambo with Niko, leaving Mikayla panting and Carmella's ass stuffed. The *pièce de résistance* is delivered when Mikayla demonstrates her impeccable oral skills in a three-man blowbang session that leaves her soaked and covered in cum.

EXTRAS

The viewer also gets to revel in a bonus sex scene starring Mikayla, followed by a slew of hardcore images that capture the stunning diva in action. An up close and personal look at the cast is also available, with ample behind-the-scenes footage, followed by loads of juicy trailers for upcoming Wicked attractions.

O: THE SURRENDER OF O

STARRING Bree Olson, Nicole Sheridan, Kayden Kross, Ava Rose, Nina Hartley, Trinity Post, Mika Tan, Bobbi Starr, Evan Stone, Erik Everhard, Tommy Gunn, Jerry, Marco Banderas

DIRECTOR Ernest Greene

RELEASED BY Adam & Eve Pictures

Consistent with the usual Adam & Eve product, this movie benefits from very high production values. But it departs from that studio's staple fare in being based on a domination/submission theme. Complete with enough nipple clamps, fuck machines, and latex to satiate the most fervent BDSM enthusiasts, each scene

delivers incidents of sexual control, which Bree Olson shines throughout. We see Bree suspended from the ceiling to gratify Nicole Sheridan's pretty muff, before getting hammered by a fuck machine. Nina Hartley's presence in this sequence is just the icing on the cake.

Later, Bree's begging for playful smacks on the ass from Evan Stone. Once her bubble butt's ripe and rosy, he gets to work on it, with sinfully delicious results. Erik Everhard treats Kayden Kross to a nice pussy shave before ravaging her freshly hairless hole in a myriad hot positions that leave her sticky. For a finale, Marco Banderas exercises the hell out of Ava Rose. Soon their bodies are

entwined in a bout of dominance that helps make this whole production a winner.

EXTRAS

Look forward to over three hours of extras that include bonus sex scenes, interviews, beautiful photo galleries, backstage antics, and an enticing array of movie trailers. Another cool inclusion is the free digital download version of the movie for your portable video systems that allows you to access the juicy debauchery at your leisure.

VAMPIRESS

STARRING Audrey Bitoni, Alexis Texas, Ava Rose, Rayveness, Amber Rayne, Gianna Lynn, Nick Manning, Talon, Marcus London, Chris Johnson

DIRECTOR Marcus London

RELEASED BY Juicy Entertainment

This tale of a ravenous vampiress and the legion of sexy adventurers out to destroy her is masterfully written, executed and delivered by director/performer Marcus London. The story begins two centuries ago, with a hardcore threeway fuckfest between Audrey Bitoni, Rayveness and Nick Manning. Across a gilded bed, the trio locks lips and legs, with Audrey positively feasting on Nick's nads while Rayveness takes charge in cowgirl.

Later, Audrey seduces Amber Rayne and Gianna Lynn into lesbian submission by plugging their pussies and asses with sturdy glass pricks. The action heats up even more when the girls reverse the play and take control of Audrey. As if that's not enough to satisfy their appetites, Amber and Gianna

are at it again immediately afterward. This time they're tackling Talon, giving up their holes like good little sluts, and swapping his cum load from mouth to mouth.

As the story turns excitingly wicked, Marcus tries to calm Ava Rose by making her cum by using his tongue, and later his cock. The final victim is claimed when Alexis Texas gets delightfully possessed and pussy-pummeled by the ghost of Chris Johnson, ending this movie as seductively as it began.

EXTRAS

...And here's where disappointment sets in. Because apart from a well-stocked slideshow containing both solo and hardcore images of the cast in action, the extra goodies provided are very meager. Your time would be better spent watching the featured attraction again.

WOMEN SEEKING WOMEN 48

STARRING Elexis Monroe, Ann Marie Rios, Rebeca Linares, Bridgette B, Faith Leon, Jayme Langford, Totally Tabitha, Tori Black
DIRECTOR Dan O'Connell
RELEASED BY Girlfriends Films

Girlfriends Films are in the business of delivering authentic, no-frills lesbian sex flicks, their latest offering being no exception. Take the opening scene with Elexis Monroe and Ann Marie Rios. The romp begins with a lusty shower and playful seduction that leads to the ladies enjoying mouthfuls of each other's pussy. Their excitement and orgasms seem genuine, all culminating in a scissors-lock fuck that leaves both pussies raw. Incredibly erotic!

After sifting through a box of fancy gynecological equipment, it isn't long before Bridgette B has got Rebeca Linares all riled up and decorated with spit stringers as she chows down on her hairless hole. Rebeca treats Bridgette to the same oral pleasure, including a few fingers to emphasize her point.

Faith Leon is hard at work vocalizing to Jayme Langford the proper lesbian decorum before giving her a personal lesson in lesbian lust. Soon each girl's mouth is locked onto the other's muff, and they're rolling around a beanbag chair in pursuit of multiple orgasms.

Finally, *Totally Tabitha seduces Tori Black* into sapphic submission by sucking on her clam until it starts to trickle, helping to make this a solid choice for fans of lesbian sex. That's you, right?

EXTRAS

Take some time to enjoy the company's mission statement and goal by way of hardcore footage of hot lesbian babes in action. As well as that, there are so many full-length trailers to salivate over, they practically constitute an entirely new, extra production.

JOB SATISFACTION

Having to work late in the office by yourself can be such a drag; a lady's got to think of some way to spice things up a bit. I used to play my music loud, just because I could. And then there was the time I brought in my vibrator...

I know that working on spreadsheets and what-have-you should be so not sexy, but there was something about the concentrated nature of the work that actually got me horny, in a freaky kind of way, even during the 9-to-5 when the office was busy. My brain would be working like crazy while my idle body would get all restless. That antsy feeling was all the more intense on those evenings I worked alone. I'd sneak a hand down to massage my crotch, sometimes hardly even being aware I was doing it. Rubbing myself there, all alone at my workstation, felt daringly naughty. To make it even nicer, I took to wearing no panties. That was a big step. And then, the day it occurred to me to bring in my vibrator, I was so hyper all day long, I couldn't wait for quitting time. God, how my pussy tingled, practically begging for attention. But I still held off a good half an hour after five just in case.

But for a constant soft electrical hum, all was quiet. The evening darkness gathered. It was a little spooky, even, but exciting. Just right. Time for some me-time – or, more precisely, some my-cunt-time. I didn't just pull up my dress – I took the damn thing right off, to relish the delicious freedom of being naked in the wrong place. My leather office chair creaked agreeably as I leaned back in it, spreading my legs wide while I eased that vibrator into my aching coochie. Mmm... yes, that worked. More than that, it felt wonderful. Exposed to the monitor's cold bluish light, my coochie enfolded the sex toy. That plastic prick's faint buzzing was barely discernible – my increasingly fitful breathing was probably a whole lot louder. In fact, I was soon gasping as I worked that sex toy into my hot, grateful snatch. I gently rocked my buttocks to and fro, fucking the toy, making my chair move around the floor. Creak, creak. Gasp, gasp.

All the while, my monitor stared blankly at me vibro-fucking myself. This was all so inappropriate; so very fucking sexy. Gasping harshly, I tilted my head back over the

chair's juddering headrest as I jiggled the vibrator in and out of my cooze to an overwhelmingly blissful climax.

Naturally, I didn't get much work done that evening. It didn't matter much. I soon moved on to a better company on the other

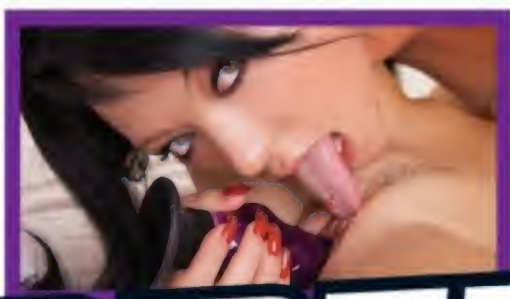

side of town, where I never had to work late. But I missed my solo work sessions at the old place, and recalled them with fondness many times before I remembered the security cameras they had there. *Self-Motivated Worker, Michigan.* ♣

Shawna Lenee – you're the greatest! Nothing gets the blood rushing to my boner faster than a nice sizable rack like yours. And to see those pictures of you pulling your pussy and diddling yourself with a vibrator gave me wood like you wouldn't believe. I'd love to get you in my bedroom. I'd stick my face in between those glorious hooters of yours, and have you rub them over my face. Then I'd lean you back on the bed, and give your coochie a long licking out, paying special attention to your clit. That would get you off good, I'm pretty sure. But I wouldn't be through yet – next I'd lay you on the bed, work my dick in between those titties, and fuck them till I came. Now, when I pop my wad, it's always a healthy load – enough even to give your boobs as big as yours a thorough basting. Think I'm bragging? Try me!

IF YOU CAN'T STAND THE HEAT...

Dear Club International, You know that bullshit that some guys spout about a woman's place being in the kitchen? Well, I say the hell it is – unless there's some man-meat in the recipe! That was the case a couple of weeks ago when my boyfriend Rudy invited me over to his apartment for dinner. Little did I know that my host had already decided that I was to be the appetizer.

I'd barely had time to put the wine I'd brought in the cooler before Rudy pushed me up against the freezer and filled my mouth with his probing tongue. We kissed a short while before Randy headed south. He yanked down my panties, which I stepped out of. Then his head disappeared underneath my dress, and he started lapping away at my cunt. As he dipped his tongue in and out of my soggy slit, Randy prized my coochie lips apart, and I felt rivulets of my snatch sap dribble out over his fingers, and down the insides of my thighs. Yes, I'm the kind of girl who juices up real easily. It's not a hanging crime!

After eating me for what felt like a heavenly eternity, Randy dragged me down to his level on the tiled floor and rolled me over onto my front. Then he pulled me into a doggie pose and lifted my dress to expose my curvy ass and puffy pussy. But instead of grabbing me by the hips and slamming his cock home in my cooze, my stud surprised me by dipping first one, then two, then three fingers inside my honey-pot. After worming them in and out a while, he withdrew his fingers, and I heard him making loud slurping noises as he sucked

my snatch secretions off them. "Tasty," he said.

"You know it, baby," I said. "So when do I get to sample your meat?"

"Ah – ready for your main course?" Randy replied. "Okay. You got it..."

Then he bumped the head of his cock against my pussy, which opened like a flower and effortlessly swallowed the entire length of it. Holding me by the hips, Randy then slowly started pulling me on and off his hugely swollen dick, which stretched me to the max. I gasped in delight,

which quickly had me breathless and on the verge of cumming. When I started jerking wildly from the waist down, Randy knew it meant I was entering the orgasm zone, and did what he always does to help me along there – he jammed a thumb in my cornhole. I saw stars, fireworks, waves crashing on a shore... every corny sex image in the book flooded my mind, and it felt awesome beyond belief!

When I'd finally calmed down, I rolled over onto my back. As I lay there drained and smiling up at Randy, he

pussy petals to give Randy a full view of my glistening cooze. "Oh yes," he purred. "It looks like a glazed donut with a sweet soft center."

and he groaned in horndog bliss. As awesome as it felt, I didn't need the tender treatment. No sir – I wanted slamming hard and fast, to the point where we'd become a blur of writhing, sweaty flesh before exploding in a seismic orgasm. "Fuck me harder!" I begged. "I need to cum sooo fuckin' bad, baby! Fuck me! Fuck me till I scream!" – and did he ever!

Strengthening his grip on my hips, Randy increased the speed of his thrusts,

said, "I hope that smile means that you're ready for seconds, my girl – because I've yet to unload."

At that moment a repeat fuck was the last thing on my mind. But, seeing as how Randy had pleased me so generously, I nodded in assent.

"On your feet then," he said. "This time I get to bang you over the counter."

Having taken my dress off I leaned forward on the counter and reached behind me so I could spread my

The instant his cockhead touched my pussy I shuddered and braced myself. A split-second later he slammed his meat into me and started piledriving away. He fucked me so ferociously and so fast that I swear it was less than a minute before he was screaming, "Oh baby! Baby! Baby!" and filling my throbbing cunt full of his warm cock custard.

Some dinner!

BOOBS-A-BOPPIN'!

Dear Club International, Breasts, tits, boobs, melons, hooters, jugs, headlamps, cans, knockers, – call them what you want, I call them awesome. To me they are the part of a babe's body that defines her sexuality. There's one prerequisite, though – they have to be big. I'm not talking zeppelins, necessarily, but they have to be big enough for me to slide my cock into the cleavage and have their owner wrap her tits around its shaft, and tit-jerk me into spurting my steaming spunk. That's all I ask.

Last summer I had the pleasure of a brief, torrid liaison with a blonde who possessed the most magnificent pair of mams I've ever laid my eyes on – and I have you guys at *Club International* to thank for it (our pleasure – Editor *Chainsaw*). Intrigued by a report you'd done on the

2007 Nudes-A-Poppin' extravaganza that's held annually at the Ponderosa Sun Club in Indiana (see page 86 for a preview of this year's event – *Chainsaw*), I decided to check out the 2008 show for myself.

Although I'd never been to a nudist camp before, I've always been somewhat of an exhibitionist, and had no qualms about walking around in nothing more than a pair of sneakers and a smile. Trust me – if you were up close to the acres of flesh on show, you'd be smiling too. The only drawback is that the organizers of the pageant frown on guys walking around with boners, so I took a towel with me just in case. I had it wrapped around me while watching the Miss Nude Go-Go event, when I found myself standing next to the aforementioned busty blonde, dressed only in a tiny thong. She was so stoked by the show that she was wildly jumping up and down. "Whoah there, baby," I said to her, unable to ▶

► resist staring at her bouncing boobs. "You'll give yourself a couple of black eyes if you're not careful!"

Still bounding about, she looked me straight in the eyes, then down at my groin. "Judging from the lump beneath that towel, you like what you see, yes?" she asked.

"Like?" I replied. "Baby, that's the understatement of all time!"

"Well, how about we hang out today," she said, "then you come back to my hotel room when this is all over, and you can give me a demonstration of your appreciation. That cool with you?"

Naturally I agreed, then we introduced ourselves to each other – her name was Lucy. And I'm Tommy, by the way. Tommy the Tit Man.

Although we had an amazing day together, it was nothing compared to what happened that night. Having stripped down to the state in which we'd met, Sue told me to get comfortable on the bed. Then she pulled a huge vibrator from her suitcase and stood with her back to me. "Your tits! Show me your tits!" I begged.

"Slow down, baby," she replied. "There's no rush, and I guarantee you won't be disappointed with what happens next."

Bending forward and down, Lucy looked at me between her spread legs, her hooters hanging low. I gasped. She smiled, slipped the vibrator inside her juicy snatch and, from the volume of the buzzing emanating from it, turned it on at maximum speed. I started stroking my cock as Lucy prodded her pussy, my gaze switching between the

vibro disappearing in and out of her cunt and her swinging funbags. I swear I was just seconds away from blowing my wad when, as though she could read my mind, Lucy shouted, "Stop!" I did as she said, and she hopped onto the bed, grabbed my ankles and pulled me onto my back. Then she straddled me and made my dream come true by wrapping her boobs around my boner.

"Don't move," she said. "Leave everything to me."

Momentarily releasing my dick from its soft flesh housing, Sue slid a hand between her legs. When she

retrieved it, it was coated in her cunny honey, which she proceeded to smear all over her cleavage. Seconds later my cock was back between her cans, which Lucy was using like a huge, swollen pussy. My cockhead bobbed in and out of view, drowning in Lucy's fleshy mounds. As she massaged my shaft with their massiveness, I suddenly felt

as though I'd been pumped full of adrenaline, and a huge orgasmic surge swept through my body. "I'm gonna cum!" I shouted.

Lucy rubbed her heaving hooters harder and faster against my cock, and seconds later I spurted an enormous load all over them. They looked even more beautiful that way! *Tit Man, Texas.*

LUCY STRADDLED ME AND MADE MY DREAM COME TRUE BY WRAPPING HER BOOBS AROUND MY BONER

GUSHY TUSHY!

Dear Club International,
Sometimes when I take a shower I get really horny and like to play with my waterproof vibrators while I'm getting soaped up. There's something about the warm jets of water all over me, and that white foamy lather dripping off, that reminds me of my man's spunk jets! What can I say? I'm a dirty bitch!

The other day, with my boyfriend Brad soon due back from work, I decided to take a shower, as we were going out later. I'd been getting myself all worked up by directing the shower jet up my snatch and loving the vibration on my clit. With my hips grinding against the force of the hot jets, it was getting me so juicy. Meanwhile, my other hand was stroking over my slippery tits, imagining it was my man touching me the way I like, and rubbing my hard nipples lightly between his finger and thumb. Boy, that really got me going.

I have two waterproof vibrators – one's anal, and the other's got a great wave

action, which really makes my cunny throb. So it didn't take me long to get to work with these bad boys, and as I was soaking already, they both slipped into my two love holes like a dream. It was quite difficult holding both vibes at once, I can tell you, but I managed it somehow, and it felt incredible. Both my holes were soon throbbing with pleasure – but also aching like mad with the need to be well and truly fucked with a real-life cock!

MY HOLES WERE THROBBING WITH PLEASURE – BUT ALSO ACHING TO BE FUCKED WITH A REAL-LIFE COCK!

Just as I was bringing myself off to a shaky orgasm, I heard the door open, and in walked Brad, home from work early! His face was a picture as he stood watching me come to a shuddering climax

helplessly in front of him. I actually felt a little embarrassed at first – but not for long.

"So this is what you get up to while I'm out, is it?" Brad said with a dirty grin. The sight of me had

► obviously produced an instant effect, as I could see the rise in his jeans straight away!

"Okay, you called it..." said Brad, and within seconds he'd stripped, and was showing off his flagpole erection. I eyed it up eagerly. He really does have a fantastic cock. As Brad stepped into the shower, I pulled him towards me, and rubbed my wet body up against him, my hands deftly stroking his straining schlong, and soaping it up in preparation.

The anal vibe had really gotten me ready, and I wanted to cut to the chase. I needed Brad's hard horn squeezed into my tight cornhole, and for him to start pumping away. I always have the most shuddering orgasms that way. Needless to say, Brad didn't need further encouragement – we were both so wet and slippery and ready for anything.

Brad's cock teased a bit at my bungus as I relaxed it to let his length in. Then, with one deft movement, and a squeal of pleasure from me, he was inside me – almost balls-deep! He held it there awhile as I got used to the amazing feeling of his

fabulous prick up my ass. Brad's hands were all over me as he fingered my soaking cunt and stroked my boobs. He drove me wild licking the back of my neck and talking dirty in my ear. I pushed back in rhythm, feeling the build-up of his thrusting into my butt. With each stroke of his big fat tool, I bucked against him all the more. As we sped up, I relished the sound our slapping wet bodies made. That felt hot as all hell, but I'm a greedy girl, and as I felt my orgasm rising, I grabbed the wave-action vibrator and stuck it in my snatch. This was too much for Brad! Behind me, his breathing quickened, and his grip tightened on my hips as he pounded us both to seventh heaven. Our climaxes hit, and when Brad pulled out his quivering meat, thick streams of his hot creamy spunk gushed from my ass. Nast-eee! How we didn't both fall over in that shower I don't know, but we just stayed in that position for a while, still shaking from our mindblowing orgasms.

Since then, Brad and I have decided to shower together regularly! *Water Babe, New Mexico.*

FLORIDA FUCKFEST!

Dear Club International, I'm Brandy, and I've been blessed in so many ways. I'm a naturally big-titted blonde who's sexually very open, and I have a boyfriend who's loaded – in every sense of the word! Don has a nice spread here in the Florida Keys with a big pool in back, and I love to go there and play with his big dick.

A few days ago we were out there languidly soaking up the sun. Feeling horny, and tantalized by the sight of the bulge in Don's tiny trunks, I just came right out with it: "Don, honey," I asked him, "have you ever wanted to try a threesome?"

His cock visibly twitched beneath the fabric as he replied, "Gosh, I dunno. That is, sure. With anyone in particular?"

As if he didn't know. "Well," I said, "Sonia's kind of cute, don't you think?" Of course he did. "Maybe we could invite her over for a swim?" Don smiled, and I got straight on the phone to ask Sonia over. She's my best friend, and I knew how much she liked Don. I also knew she couldn't swim. That didn't matter.

Half an hour later, a bikini-clad Sonia had joined us on a rug by the pool. Sipping her drink, she stole a glance at the lump in Don's shorts, trying to look blasé when I reached over to casually stroke his tool. But her eyes nearly popped out of her head as I peeled Don's trunks down to reveal

as I slid the bulging purple head into my mouth. The smell and the taste of him were already making my cunt drip, but when Sonia moved in and started licking his heavy balls, it drove me crazy. She gently worked her tongue around his sac, and I could tell from the way his cock stiffened even more in my hand it was having the same effect on Don!

After we'd slurped and sucked for a minute or two, and coated Don's meat in our saliva, we wriggled out of our bikinis. When Don lay on his back, Sonia straddled his face, lowering her sopping snatch to his lips. Then she leaned forward, holding his fully engorged fuck-stick so that I could ease it into my dripping snatch. I trembled as the bulbous head split my cunt lips, and the thick, veined shaft began to slide into my well-greased pussy. Meantime, as Don's tongue moved in circles around Sonia's clit, she started to grind over his lips, her orgasm beginning to build. I was getting close too, and as we girls both began to cum, we kissed, moaning into each other's mouth as

his fat, hard prick in all its glory. I grasped the swelling shaft and, as I lowered my face towards it, I said, "C'mon, Sonia - there's plenty to go around."

Don moaned as I slowly lapped my tongue across the slit. And Sonia gasped

waves of lust rushed through us. We drenched Don at both ends with our love juices.

As our shuddering orgasms subsided, Sonia said, "Now I need that big prick inside me. Fuck me with it, Don! Fuck me like a dog!" ►

► "You got it," replied Don, too much of a gentleman to ignore a fair maiden's desperate plea. As they both got in the doggie position, I wriggled beneath them until I was on my back with my head between Don's knees. As Sonia put her

mouth close to my cunt and wiggled her ass over my face, I looked up to see an incredible sight: Don's magnificent tool standing to attention, his balls hanging heavily beneath it, and Sonia's slippery twat just waiting to be fucked. I licked along the length of Don's shaft down to his nuts, slurping my cum off his cock as he guided it into her cooze. I felt her tongue delve into my pussy as she began to slide back and forth on his pole, her cunt making delicious slurping sounds with each thrust of Don's dick. I lapped at her pussy lips and along Don's thick meat as he increased his pounding rhythm.

Suddenly Sonia cried out as a massive orgasm tore through her, and a gush of her sweet cunt juice flowed out, soaking Don's cock and balls, and dripping into my mouth. This sent Don over the edge, and as he pulled out his monstrous cock, a huge jet of creamy white jism splashed on the cheeks of her ass. He jerked another load onto my face and another onto my tits.

Now that's what I call a pool party!

Friend Fucker, Florida.

ALL ABOUT EVIE!

Dear Club International,
I was intending to write to my ex-boyfriend, telling him all about my new friend Evie. Adam would have liked Evie – her pale skin and long jet-black hair, her firm tits and svelte waist mushrooming into a curvy bubble butt. Yes, he would have liked to have stuck his dirty double-dealing dick deep into that ass. Then I decided not to waste any more precious pussy juice on him, and resolved instead to let the whole world know about Evie – starting with you guys!

Evie was my first ever internet date. Having made friends on a social networking site, we'd arranged to meet up at a rock concert in "meatspace" – the real world. Our motives weren't sexual, but as soon as I met her, I felt my inhibitions melting.

PHOTOGRAPHY: SCOTT WARD www.scottward.co.uk

Evie was fun. She made me feel better about myself, and even didn't mind me bitching about Adam.

Evie looked positively electric in her low-rise jeans and translucent crop top, while I'd resorted to rock chick chic with a vinyl

micro-skirt and fishnet hose. Slamming tequilas, we felt – and probably looked – like we could take on the world. Evie's schtick, she explained, was "slash fiction" – erotic stories using characters from popular books or TV series. Bisexual, she told

me: "Everything's up for grabs!" Evie certainly had a filthy imagination. As she rapped about the guys in the band, the tequila was giving me hallucinations of those four grungy dudes gang-banging her. I felt dizzy and horny, and was

delighted to be invited back to Evie's apartment.

"Awesome," was how Evie described the DVD I just had to see, and awesome it was! Evie was a star! There she

sofa, her hand resting on my fishnetted thighs.

"Jesus, it makes me so horny seeing myself on video," Evie purred as my panties filled up with pussy

collided, and we began to devour each other.

Evie told me how beautiful I was, and convinced me by ripping a hole in my fishnet hose. Her fingers bypassed the soggy crotch of my black mesh panties, the ones with the pink trim that Adam had given me on the first night he broke open my butt. "I'll make you forget all about cock," she hissed as her fingers churned my punani.

When she withdrew her hand from my womanhood, she licked my cunt cream from her fingers as I unfastened her bra. Her tits were gorgeous. I cupped them in my hands, then

buried my face in her cleavage. Her nipples stiffened in my mouth.

"It's bedtime," she panted.

Throwing me onto the bed, Evie stripped off her jeans, flashing a thong that had more or less disappeared up her butt crack. I wriggled out of my dress as Evie tugged at the remains of my torn fishnets before lasciviously peeling my sheer panties down my thighs. I spread my pussy lips. I wanted her bad.

Evie crawled between my open legs and began to chew my clam, her tongue teasing my clit from its hood, then down she went into the swampy depths of my swollen vulva. Starting to writhe, I clamped her head between my thighs. I was cumming. Then, as if to smother my grunts and groans, Evie swung her body around and plumped her clenched ass down on my face. "Lick it, you bitch!" she hissed, as she tugged her thong aside and ground her dripping snatch down onto my tongue. Her pungent pussy tang intensified my climax.

We lay on the bed, our perspiring bodies entwined, breathless from the relief of our frustrations, and we began to make proper love, our tongues exploring every inch of each other's body, nipples and clit like rugged islands in a sea of soft, gently swollen flesh, disturbed only by the tremors of orgasm.

Sex with Evie was an exploration of uncharted territory; forbidden fruit, and the novelty was exciting. And just when I thought I was cured of my longing for cock, Evie produced her double-ended dildo. I asked her to fetch her camera. I wanted a photo to send to Adam, a picture of two hot chicks with their own girl-cock, each of us simultaneously impaled on either end of the Janus-headed snake, thrusting back and forth in rhythm, cumming in unison. *Slash Sister, Texas.* ♣

was, on screen, on her back, legs spread-eagled, stroking herself as she sucked on a dildo. There she was, the same, cute girl who was sitting next to me on the

cream. "Mmm – wanna play?" she asked, sliding her hand up my leg. I groaned as I parted my legs. With her fingers pressed against the V of my panties, our lips

Miracle Massager™

Soft Jelly Probe
with Dual Tantalizers

Hmmm, I don't recall praying for a "soft jelly

probe with dual tantalizers" when I went to bed the other night, but that's what the mailman brought me the following morning. This one sure looks like a serious piece of hardware, but it's not a whole sex toy in and of itself. It's an accessory for a gadget called the Miracle Massager, which I don't happen to possess. That's right. I have a big wooden chest packed to bursting with a zillion different kinds of sex toys, but not a Miracle Massager in sight. So I'm just using this baby to store my rubber bands, of which I get a lot. All those packages I get in the mail, you see. And it helps to be able to lay my hands on my rubber bands.

Hey, cool rhyme!

The waterproof On-The-Go

Vibe is a small multi-speed vibrator with a clit stimulator attached for those times when a girl just wants a nice quick nut. Look at that pic of Casey Parker on the pack – doesn't she just look all sparkly and refreshed? That's how I felt after I used this little gadget, and it's a feeling I could get very used to. This one's a keeper – into the wooden chest with you, On-The-Go Vibe!

Wow! I used the Slimline Passion Wave before I got out of bed this morning, and I still haven't quite stopped trembling. Yes, girls, it really is that good. With a three-speed undulating motion, it'll work your cunt like you wouldn't believe. Better, in some ways, than a real-life cock of flesh, which to my mind is the hallmark of a really good sex toy; one that you'll keep on coming back to time after time. Could the Passion Wave make the prick a thing of the past? Let the people decide!

Till next time, ladies! ♣

DRINKS BEFORE BANGTIME!

RED-HOT SEX? THIS COUPLE WILL DRINK TO THAT!

PHOTOGRAPHY: JACK HARRISON

Every now and then it can be nice to have a little nightcap before going to bed. But it can go either way – a drink can make you drowsy or, in the case of Lara and James here, horny. Very, very horny; dispelling all thoughts of sleep. For Lara and James, bedtime can wait – it's now officially bangtime!

Heck, the lovin' couple doesn't even get to finish those drinks before James is slobbering over luscious Lara's tits. For which, you know, you can't blame him. And you can't blame him either for whipping out his chubby and sliding it straight up inside Lara's lubricated love tunnel. Foreplay? That's a word he's heard. A golfing term, for all he knows.

"Okay, stud – I'm gonna fuck you so good," Lara tells her man, before giving it to him the way she knows he likes it – fast and urgent, with some speedy position changes. For a while it's reverse cowgirl, in which position James can shove the glove so hard that for both of them it feels like his cock's practically going to come out of Lara's mouth. A minute later, and this show is being brought to you by the number 69, with Lara straddling her man, greedily gobbling his boner while her peachy buns hover above his face, and his tongue's probing the intricacies of her creamy clam. Soon it's time for a sidesaddle screw, and then a couple more switcheroos before Lara's sucking her man till he pops in her hot little mouth, and then his spunk's spilling down over her chest.

Bedtime? What's that? And what the hell was in those drinks, anyhow? ♣

YOU SO GOOD!"**
